Attached is the first access agreement we sent out, which was reviewed and approved by the EPA prior to issuance to the property owner. We used this template for all future access agreements. Please let me know if you need anything else.

Hi –  
 Can you please send me a generic copy of the access request/agreement you are using?  
 I apologize if you sent this already, couldn't find it.  
 Need to follow up on a comment made by EnviroForensics during the mayor meeting that the agreement reads as if homeowners are not allowed to share their data.  
 Thanks.  
 Carolyn
